Alex Rivera

Systems Engineer | **ML Developer**

+00 600 000 000 | alex.rivera@example.com
example.com/alexrivera

Summary

Fictional profile used as a test fixture. It exercises common packages (titlesec, tabularx, enumitem, hyperref, roboto) so that the compile, log and SyncTeX paths stay realistic.

Technical Skills

Programming Languages: Rust, Python, SQL

Cloud & DevOps: Docker, MLOps, Data Engineering

Data Science & AI: Machine Learning, LLM, AI Agents

Experience

Senior Engineer | **Platform** — Jan 2024 – Present
